REPORT ON STUDENT–PARENT MEETING

Date: 30/03/2026

The Department of Commerce at Government Degree College, Rampachodavaram, successfully organized a Student–Parent Meeting on **30/03/2026**, with the objective of strengthening communication between the institution and parents, and guiding students towards a better academic and professional future.

The program was presided over by the Principal, **Sri D. Ravikumar**, who attended the event as the Chief Guest. The meeting was also attended by the Head of the Department, **Smt. M. Sivakumari**, along with all the Commerce faculty members and students. Their active participation contributed significantly to the success of the program.

In his address, the Principal emphasized the importance of parental involvement in students' academic journey and highlighted the need for students to set clear goals for their future. He encouraged students to become responsible citizens and contribute positively to society and the nation.

The primary aim of the meeting was to create awareness among both students and parents regarding future career opportunities, academic performance, and overall development. Faculty members of the Department of Commerce interacted with parents and provided insights into students' progress, attendance, and areas requiring improvement.

During the session, parents actively participated and shared their concerns and expectations. The faculty clarified all doubts and queries raised by both students and parents in a constructive and supportive manner. The interaction helped in building mutual understanding and cooperation between parents and teachers.

The meeting concluded on a positive note, with both parents and students expressing their satisfaction regarding the guidance provided. The event proved to be highly beneficial in fostering a collaborative environment aimed at the holistic development of students.
